**INFORMATION FOR ORDERING ACTIVITIES
APPLICABLE TO ALL SPECIAL ITEM NUMBERS**

SPECIAL NOTICE TO AGENCIES: Small Business Participation

SBA strongly supports the participation of small business concerns in the Federal Supply Schedules Program. To enhance Small Business Participation SBA policy allows agencies to include in their procurement base and goals, the dollar value of orders expected to be placed against the Federal Supply Schedules, and to report accomplishments against these goals.

For orders exceeding the micropurchase threshold, FAR 8.404 requires agencies to consider the catalogs/pricelists of at least three schedule contractors or consider reasonably available information by using the GSA Advantage!™ on-line shopping service (www.fss.gsa.gov). The catalogs/pricelists, GSA Advantage!™ and the Federal Supply Service Home Page (www.fss.gsa.gov) contain information on a broad array of products and services offered by small business concerns.

This information should be used as a tool to assist ordering activities in meeting or exceeding established small business goals. It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

For orders exceeding the micropurchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.

Company and Products Overview

Perceptive Software develops innovative document imaging, document management, data extraction and workflow software solutions for organizations in a broad range of industries worldwide, such as government, healthcare, higher education, insurance, manufacturing, retail and utilities. Founded in 1988, the company's unique approach to product development and services produces cost-effective solutions that leverage an organization's existing technology investments.

ImageNow, the company's flagship product, offers instant, single-click access to digitized versions of paper, electronic documents, faxes, emails and more. A self running demonstration featuring ImageNow's "out of the box" functionality can be found at: <http://www.perceptivesoftware.com/federal>.

The Web-based functionality of WebNow allows for secure, remote access to imaged documents and easy information sharing worldwide. Patented technology assures rapid, flexible and simple integration with departmental or enterprise-wide business processes.

Our customers' experiences are remarkable when compared with a typical document imaging, management, workflow and data extraction deployment. Perceptive Software eliminates obstacles that commonly accompany this technology — complicated programming, lengthy implementation, unfriendly interfaces and high cost — ensuring our customers immediate ROI. While some document management vendors promise low cost and easy implementation, Perceptive Software delivers in every deployment. Our commitment is to provide our customers with proven, affordable and simple solutions that:

Provide single click access to Documents at the Point of Need.

ImageNow is engineered to provide single-click access to electronic objects through the existing business applications users already know and use daily. As a result of ImageNow's integrated, user friendly design, end users accept and starting using ImageNow immediately upon implementation.

Allow users to collaborate while protecting document integrity.

The ImageNow Document Management Suite allows users to individually manage or collaborate on documents using industry standard document library services such as version control, check in, check out, digital signatures, and more. ImageNow Document Management automatically protects document integrity and tracks versioning activities for future auditing.

Automate Your Business Workflow

Create powerful electronic workflow solutions that streamline document-centric business processes. With a single click, documents can be routed electronically, allowing organizations to streamline processing and approval activities, answer inquiries and resolve discrepancies in real time.

Simultaneous Document Viewing

Multiple users can simultaneously view documents from any location world wide.

Integrate With All Your Business Applications

ImageNow and WebNow integrate with all your existing software applications, regardless of manufacturer or platform (custom applications, COTS and GOTS products, legacy and terminal emulator systems, web based apps, etc).

Leverage Existing Infrastructure

ImageNow effectively leverages your knowledge base and existing investment in applications, operating system, database and networking infrastructure.

Make Better Decisions

Remove obstacles to effective decision-making by electronically accessing documents at the point of need. Double-check the accuracy of transaction information or collaborate with colleagues using simultaneous document views, all while maintaining proper security levels to reinforce your compliance initiatives.

Simplify Forms Processing and Reduce Manual Data Entry

ImageNow DataCapture automates data extraction from paper and electronic documents using sophisticated technology behind the scenes that's simple and virtually hands-free for your workers. Within seconds ImageNow DataCapture identifies the form, extracts key data and outputs the data to XML, text, or other specified format. This data can then be used to update/populate your business applications.

This License Agreement and your limited license to use the Software will terminate upon the expiration, without renewal, of the term of your subscription, unless this License Agreement is terminated earlier.

(i) U.S. Government Entities. If you are a U.S. Government entity your use, duplication or disclosure of the Software and User Documentation is subject to the following restricted rights clause: The Software and User Documentation are each a "commercial component," as that term is defined in 48 C.F.R. §2.101, consisting of "commercial computer software" and "computer software documentation," as such terms are defined in 48 C.F.R. §252.227-7014(a)(1) and 48 C.F.R. §252.227-7014(a)(5), respectively, and used in 48 C.F.R. §12.212 and 48 C.F.R. §227.7202, as applicable, and all as amended from time to time. Consistent with 48 C.F.R. §12.212 and 48 C.F.R. §227.7202, and other relevant sections of the Code of Federal Regulations, as applicable, and all as amended from time to time, all U.S. Government entities acquire the Software and User Documentation with only the rights explicitly set forth in this License Agreement.

3. Copies of Software; Fail Over; Test Environment Subscription Services. Upon loading the Software into your computer or computers as permitted above, you may retain any installers and executables that Licensor has made available to you, but you may use them only for backup purposes. You may make one copy of the Software on a CD (or on diskettes, tape, a network file server or other media) for the purpose of backup only in the event the installers or executables are damaged or destroyed and one copy of the User Documentation for backup purposes only.

You also may install the Software on a back-up server or server cluster node to ensure server or system fail over of your Software environment in the event of the failure and non-availability for productive use of your Software environment (a "Fail Over Event"); provided, that (a) you may install the Software for server or system fail over only on a backup server or server cluster node for system fail over, (b) such Software must remain dormant until the occurrence of a Fail Over Event, (c) your use of such Software must immediately cease upon the cessation of the Fail Over Event, and (d) you may not use such Software in excess of your licensed rights or in violation of the terms of this License Agreement. Your right to use the Software for system fail over is conditioned upon your cooperation with Licensor in creating a hardware fingerprint profile of the backup server or server cluster node upon which you install such Software and your continuing obligation to update and correct such hardware fingerprint profile as changes to the backup server or cluster node hardware occur. Your right to install and maintain the Software for system fail over will expire upon the first to occur of (x) your modification of your Software environment such that you no longer need a copy of the Software for server or system fail over, (y) Licensor's modification of the Software to permit fail over operation of the Software absent the need for a copy of the Software for server or system fail over, or (z) the termination of this License Agreement.

Licensor offers test environment subscription services to enable you to test the Software, including upgrades, enhancements and new releases of the Software, in a test environment to analyze the operation of the Software prior to making changes in your production environment. If you elect to utilize such test environment subscription services you shall not use such test environment for productive use or otherwise for use in excess of your licensed rights or in violation of the terms of this License Agreement. If pursuant to the utilization of such test environment subscription services you replicate your production environment on separate server facilities, your right to use such services is conditioned upon your cooperation with Licensor in creating a hardware fingerprint profile of the server facilities upon which you replicate such environment and your continuing obligation to update and correct such hardware fingerprint profile as changes to the backup server or server cluster node hardware occur. Your right to utilize such test environment subscription services will expire upon the non-renewal of the elected test environment subscription service or the termination of this License Agreement.

4. Restrictions. Except as specifically authorized under Section 3 above, neither you nor any person under your authority or control may make any copy of the Software, the User Documentation or any portion thereof. Any such copies of the Software or the User Documentation shall include Licensor's copyright, trademark and other proprietary notices. Under no circumstance are you or any person under your authority or control permitted to use the Software or User Documentation or to make or use any copies thereof in excess of your licensed rights. You shall account for and keep a record of each copy you make of the Software or User Documentation, where the copy is located and the name of the custodian of the copy. You must provide this record to Licensor upon Licensor's request.

You shall not voluntarily or involuntarily in any form or manner assign, transfer or pledge the Software, User Documentation or other rights under this License Agreement to any other person or entity, including, without limitation, any assignment or transfer incident to your merger or consolidation with another entity, or any assignment or transfer by operation of law, without Licensor's prior written consent. Furthermore, you shall not sublicense, lease, network, rent, loan, distribute or share your license of the Software, User Documentation or other rights under this License Agreement with any other person or entity, including, without limitation, any use of the Software or User Documentation to provide hosted services or to operate a service bureau, or publish, disclose or otherwise display in writing, electronically or otherwise any part of the Software, User Documentation or such other rights without Licensor's prior written consent in each such instance. Any such assignment, sublicense, transfer, pledge, lease, network, rental, loan or

sharing of your license or any other rights under this License Agreement absent Licensor's prior written consent shall be void and of no force or effect and, as will any such publication, disclosure or display, shall cause the immediate termination of this License Agreement and your license and rights under this License Agreement.

You shall not reverse engineer, decompile, disassemble, re-engineer, reverse assemble, reverse compile or otherwise translate or create, attempt to create or permit, allow or assist any other person to reverse engineer, decompile, disassemble, re-engineer, reverse assemble, reverse compile or otherwise translate or create the source code of the Software or its structural framework. You shall not modify, enhance or create derivative works based upon the Software in whole or in part, including, without limitation, any derivative works based upon the database structures of the Software, nor shall you otherwise change the Software, or any of the foregoing without the prior written consent of Licensor in each such instance, which consent may be withheld or conditioned within Licensor's sole discretion. You agree that any modification, enhancement, derivative work or other improvement to the Software and/or the User Documentation developed by Licensor, you, your employees or independent contractors, whether with or without the consent, advice or support of Licensor, shall be the exclusive property of Licensor, and you hereby assign to Licensor all such rights, title and interest therein and agree to make such further assignments and take any other affirmative actions as requested by Licensor from time to time to further manifest such assignment. Any such modified, enhanced or derivative versions of the Software and/or the User Documentation will not constitute software or user documentation different from the Software and/or the User Documentation, and, as such, shall be subject to and governed under the terms and conditions of this License Agreement.

5. Licensor's Rights. You acknowledge and agree that as between you and Licensor, the Software and the User Documentation, including any modifications, revisions or enhancements thereto or derivative works thereof, are Licensor's proprietary products protected under law. You further acknowledge and recognize as between you and Licensor, Licensor's exclusive right, title and interest in and to the Software and User Documentation, including any and all associated patent, copyright, trademark, trade secret or other proprietary rights. This License Agreement does not convey to you an ownership interest in or to the Software or the User Documentation, but only a limited right of use in accordance with this License Agreement, which right is terminable in accordance with the terms of this License Agreement.

6. License Fees. The license fees paid by you for the Software are paid in consideration of the licenses granted under this License Agreement.

7. Term. This License Agreement is effective upon your installation of the Software and shall continue until terminated in accordance with this License Agreement. You may terminate this License Agreement at any time by discontinuing all use of the Software and User Documentation, returning to Licensor all originals and copies of the Software and User Documentation, including any extracts therefrom, with the exception of your meta data and associated objects, and all media containing the Software, User Documentation and/or such extracts, and permanently removing and rendering inaccessible from your system all installations and copies of the Software and User Documentation. Licensor may terminate this License Agreement in the event you breach any material term of this License Agreement and such breach continues for a period of thirty (30) days following Licensor's written notice to you of such breach; provided, however, that in the event your breach is not of a nature to be remediable, or is the result of your willful, reckless or grossly negligent act or omission, then Licensor may terminate this License Agreement upon Licensor's written notice to you of such breach. Upon termination of this License Agreement, your rights to use the Software and User Documentation will terminate and you shall immediately discontinue all use of the Software and User Documentation, return to Licensor all originals and copies of the Software and User Documentation, including any extracts therefrom, with the exception of your meta data and associated objects, and all media containing the Software, User Documentation or such extracts, and permanently remove from your system and render inaccessible all installations and copies of the Software and User Documentation.

8. Limited Warranty. LICENSOR WARRANTS, FOR YOUR BENEFIT ALONE, FOR A PERIOD OF NINETY (90) DAYS FROM THE DATE OF COMMENCEMENT OF THIS LICENSE AGREEMENT (REFERRED TO AS THE "PERFORMANCE WARRANTY PERIOD") THAT INSTALLERS AND/OR EXECUTABLES MADE AVAILABLE BY LICENSOR TO YOU ARE FREE FROM DEFECTS IN MATERIAL AND WORKMANSHIP. LICENSOR FURTHER WARRANTS, FOR YOUR BENEFIT ALONE, THAT DURING THE PERFORMANCE WARRANTY PERIOD THE SOFTWARE SHALL OPERATE SUBSTANTIALLY IN ACCORDANCE WITH THE FUNCTIONAL SPECIFICATIONS IN THE USER DOCUMENTATION UNDER NORMAL, PROPER AND INTENDED USAGE AND THAT THE SOFTWARE DOES NOT CONTAIN ANY COMPUTER WORMS, VIRUSES OR OTHER HARMFUL CODE OR DISABLING DEVICE OR ANY UNLAWFUL, DISCRIMINATORY, LIBELOUS, HARMFUL, OBSCENE OR OTHERWISE OBJECTIONABLE MATERIAL OF ANY KIND (THE "PERFORMANCE WARRANTY"). LICENSOR DOES NOT WARRANT THAT THE SOFTWARE WILL MEET YOUR NEEDS OR THAT IT WILL BE ERROR-FREE IN ALL CIRCUMSTANCES.

LICENSOR FURTHER WARRANTS, FOR YOUR BENEFIT ALONE, THAT (A) LICENSOR HAS THE RIGHT TO POSSESS, USE AND LICENSE THE SOFTWARE TO YOU FOR THE PURPOSES CONTEMPLATED HEREIN AND STATED IN THE USER DOCUMENTATION AND (B) THAT TO LICENSOR'S KNOWLEDGE, THE SOFTWARE DOES NOT INFRINGE ANY COPYRIGHT, TRADEMARK OR TRADE SECRET OF ANY THIRD PARTY (THE "NON-INFRINGEMENT WARRANTY"); PROVIDED, HOWEVER, THAT NOTWITHSTANDING ANY OTHER TERMS OF THIS LICENSE AGREEMENT TO THE CONTRARY, LICENSOR SHALL HAVE NO OBLIGATION TO YOU WITH RESPECT TO ANY CLAIM THAT ARISES FROM (A) ANY MODIFICATION OF THE SOFTWARE BY YOU OR ANY THIRD PARTY; (B) YOUR COMBINATION, OPERATION OR USE OF THE SOFTWARE WITH ANY SOFTWARE, HARDWARE, PRODUCT, OR APPARATUS INSTALLED IN YOUR APPLICATION ENVIRONMENT FOLLOWING THE INSTALLATION OF THE SOFTWARE; OR (C) YOUR USE OF ANY THIRD PARTY SOFTWARE OTHER THAN IN ACCORDANCE WITH THE LICENSE AGREEMENTS FOR SUCH SOFTWARE, WHETHER OR NOT SUCH LICENSE AGREEMENTS ARE PROVIDED TO LICENSOR.

IF DURING THE PERFORMANCE WARRANTY PERIOD A DEFECT IN THE SOFTWARE OR THE INSTALLERS AND/OR EXECUTABLES APPEARS OR THE SOFTWARE IS OTHERWISE NONCOMPLIANT WITH THE PERFORMANCE WARRANTY, OR IF DURING THE TERM OF THIS LICENSE AGREEMENT THE SOFTWARE IS NONCOMPLIANT WITH THE NON-INFRINGEMENT WARRANTY, YOU MAY RETURN THE CDs OR OTHER MEDIA CONTAINING THE SOFTWARE AND THE USER DOCUMENTATION TO LICENSOR FOR, AT LICENSOR'S OPTION AND EXPENSE, EITHER (I) REPLACEMENT, (II) REPAIR OF THE SOFTWARE AND DELIVERY OF A NEW INSTALLER AND/OR EXECUTABLES, OR (III) FAILING THE FOREGOING TWO OPTIONS, A REFUND OF ALL LICENSE FEES PAID BY YOU WITH RESPECT TO THE DEFECTIVE SOFTWARE OR MEDIA CONTAINING THE SOFTWARE AND THE USER DOCUMENTATION, IN WHICH EVENT YOU WILL RETURN TO LICENSOR ALL ORIGINALS AND COPIES OF THE SOFTWARE AND USER DOCUMENTATION, INCLUDING ANY EXTRACTS THEREFROM (WITH THE EXCEPTION OF YOUR META DATA AND ASSOCIATED OBJECTS) AND ALL MEDIA CONTAINING THE SOFTWARE, USER DOCUMENTATION OR SUCH EXTRACTS, AND PERMANENTLY REMOVE FROM YOUR SYSTEM AND RENDER INACCESSIBLE ALL INSTALLATIONS AND COPIES OF THE SOFTWARE AND USER DOCUMENTATION; PROVIDED, HOWEVER, THAT IF ANY SUCH NONCOMPLIANCE WITH LICENSOR'S WARRANTIES AS SET FORTH IN THIS SECTION 8 IS NOT A RESULT OF DEFECTIVE MEDIA, THE OPTION SET FORTH IN CLAUSE (I) OF THIS SENTENCE SHALL NOT BE AVAILABLE TO LICENSOR. YOU AGREE THAT THE FOREGOING CONSTITUTES YOUR SOLE AND EXCLUSIVE REMEDY FOR BREACH BY LICENSOR OF ANY OF THE WARRANTIES MADE UNDER THIS SECTION 8. LICENSOR SHALL HAVE NO OBLIGATION TO MAKE REPAIRS OR OFFER REPLACEMENTS OR REFUNDS TO THE EXTENT ANY DEFICIENCY IN PERFORMANCE OR INFRINGEMENT, AS THE CASE MAY BE, SHALL RESULT, IN WHOLE OR IN PART, FROM CATASTROPHE, YOUR FAULT OR NEGLIGENCE, FROM IMPROPER OR UNAUTHORIZED USE, MAINTENANCE OR MODIFICATION OF THE SOFTWARE, USE OF THE SOFTWARE IN A MANNER FOR WHICH IT WAS NOT DESIGNED, OR BY CAUSES EXTERNAL TO THE SOFTWARE SUCH AS, BUT NOT LIMITED TO, POWER FAILURE OR ELECTRIC POWER SURGES.

THE SOFTWARE MAY INCLUDE THIRD PARTY SOFTWARE LICENSED BY LICENSOR AND SUBLICENSED TO YOU. ANY OTHER TERMS OF THIS LICENSE AGREEMENT TO THE CONTRARY NOTWITHSTANDING, YOUR RIGHTS IN SUCH THIRD PARTY SOFTWARE, INCLUDING ANY REPRESENTATIONS OR WARRANTIES CONCERNING SUCH THIRD PARTY SOFTWARE, SHALL BE AS GRANTED BY THE ORIGINAL MANUFACTURER OF SUCH THIRD PARTY SOFTWARE UNDER THE LICENSE AGREEMENT FOR SUCH SOFTWARE, A COPY OF WHICH LICENSOR WILL PROVIDE TO YOU UPON REQUEST. LICENSOR MAKES NO REPRESENTATIONS OR WARRANTIES CONCERNING ANY SUCH THIRD PARTY SOFTWARE, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OF NON-INFRINGEMENT.

EXCEPT FOR THE WARRANTIES SET FORTH ABOVE, THE INSTALLERS AND/OR EXECUTABLES, THE SOFTWARE AND THE USER DOCUMENTATION ARE LICENSED "AS IS" AND, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LICENSOR EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ANY IMPLIED WARRANTIES THAT CANNOT BE DISCLAIMED ARE LIMITED TO NINETY (90) DAYS OR TO THE SHORTEST PERIOD PERMITTED BY APPLICABLE LAW WHICHEVER IS GREATER.

9. Limitation of Liability. ANY OTHER TERMS OF THIS LICENSE AGREEMENT NOTWITHSTANDING, UNDER NO CIRCUMSTANCES SHALL YOU OR LICENSOR BE LIABLE TO THE OTHER OR ANY PERSON CLAIMING THROUGH THE OTHER, WHETHER IN CONTRACT, TORT OR OTHERWISE, FOR ANY LOSS OF PROFITS, LOSS OF USE OF EQUIPMENT, LOSS OR CORRUPTION OF DATA OR INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, OR FOR ANY PAYMENT RELATED TO OR AS A RESULT OF SUCH LOSSES OR DAMAGES ARISING OUT OF OR OTHERWISE RELATED TO THIS LICENSE AGREEMENT, THE SOFTWARE OR USER DOCUMENTATION, WHETHER OR NOT ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES AND WITHOUT REGARD TO ANY DETERMINATION THAT ANY REMEDY SPECIFIED IN THIS LICENSE AGREEMENT FAILS ITS ESSENTIAL PURPOSE. NEITHER PARTY'S CUMULATIVE LIABILITY TO THE OTHER PARTY OR TO ANY PERSON CLAIMING THROUGH THE OTHER UNDER THIS LICENSE AGREEMENT SHALL EXCEED AN AMOUNT EQUAL TO THE LICENSE FEES PAID BY YOU TO LICENSOR FOR THE SOFTWARE.

10. Intellectual Property. You recognize, as between you and Licensor, Licensor's ownership in and title to all trademarks and/or service marks owned by Licensor, including IMAGENOW, IMAGE NOW, WEBNOW, CAPTURENOW, ISCRIPT and PERCEPTIVE SOFTWARE, including any and all common law and registered rights throughout the world (hereinafter the "Trademarks"). You also recognize, as between you and Licensor, Licensor's ownership in and to any and all copyrights, patents, trade dress, trade secrets and/or any other intellectual property rights related to the Software and the User Documentation (hereinafter "Intellectual Property Rights"). No right, license or interest is granted for any Intellectual Property Right unless expressly provided herein, and Licensor reserves all rights therein. No right, license or interest in or to any of the Trademarks is granted hereunder, and you agree that you shall assert no such right, license or interest with respect to such Trademarks. Furthermore, you shall not contest the validity of any of the Trademarks or Intellectual Property Rights, claim adversely to Licensor any right, title or interest in and to the Trademarks or Intellectual Property Rights and shall not use, register, apply to register or aid a third party in registering the Trademarks or Intellectual Property Rights during the term of this License Agreement or any time thereafter. If Licensor considers it advisable to record you as a licensee of the Trademarks, you agree to cooperate in such procedure and to execute any documents submitted to you for this purpose.

11. Notices. Any notices, demands or other communications required or permitted under this License Agreement shall be in writing and shall be deemed to have been given: (a) upon receipt if delivered personally; (b) five (5) days after deposit in the mail if sent by U.S. certified mail, postage prepaid, return receipt requested; and (c) upon receipt if delivered to a recognized overnight courier or delivery service

which provides international service, fees prepaid; in each case addressed to the party for whom it is intended at the address for such party as last provided to the other.

12. Governing Law. This License Agreement shall be construed and governed in accordance with the internal laws of the State of Kansas, U.S.A. without regard to its rules of conflict or choice of law provisions that would require the application of the laws of any other jurisdiction. The parties hereto agree to submit to the exclusive jurisdiction and venue of the District Court of Johnson County, Kansas, U.S.A. and the Federal District Court of Kansas located in Kansas City, Kansas, U.S.A. for any matter arising under or related to this License Agreement. In each case, this License Agreement shall be construed and enforced without regard to the United Nations Convention on the International Sale of Goods.

13. Severability. Should any term of this License Agreement be declared void or unenforceable by any court of competent jurisdiction, such declaration shall have no effect on the remaining terms hereof.

14. No Waiver. The failure of either party to enforce any rights granted hereunder or to take action against the other party in the event of any breach hereunder shall not be deemed a waiver by that party as to subsequent enforcement of rights or subsequent actions in the event of future breaches.

15. Export Laws. You acknowledge that the export laws and regulations of the United States and other relevant local export laws and regulations apply to the Software, the User Documentation and other technical data provided to you under this License Agreement. You further agree that neither the Software nor any such technical data, nor the direct product thereof, will be exported outside the country in which this license to use the Software is initially sold or delivered without the prior written consent of Licensor. You agree that such export control laws govern your use of the Software and any services provided to you in connection with your license of the Software, and you agree to comply with all such export laws and regulations (including, without limitation, "deemed export" and "deemed re-export" regulations). You further agree and certify that you will not export outside the country in which this license to use the Software is initially sold or delivered, directly or indirectly, the Software or any data, information and/or materials resulting from services provided to you in connection with your license of the Software (or any direct product thereof) in violation of such laws or regulations, and you will not use the Software or such other data, information or materials for any purpose prohibited by such laws or regulations, including, without limitation, nuclear, chemical or biological weapons proliferation, or development of missile technology. Without limiting the generality of the foregoing, neither the Software nor the accompanying User Documentation may be downloaded or otherwise exported or re-exported (a) into (or to a national or resident of) any country to which the United States has embargoed goods or (b) to anyone on the United States Treasury Department's list of Specially Designated Nations, the United States Treasury Department's list of Specially Designated Nationals, Terrorists and Narcotics Traffickers, the United States State Department's Proliferation Entity List or the United States Commerce Department's Table of Denial Orders. You agree and certify that you are not located in, under the control of or a national or resident of any such country nor are you on any such list.

This License Agreement is subject to the receipt of any approvals and consents as may be required by the United States and foreign governmental agencies and authorities, including, without limitation, the export control laws and regulations of the United States. Licensor shall have no liability to you under this License Agreement as a result of the refusal of the United States or foreign governmental agencies to issue any such necessary approvals or consents for the export of the Software or other technical data provided to you under this License Agreement.

16. Miscellaneous. No amendment, modification or waiver of this License Agreement or any provision hereof shall be effective unless it is in writing and signed by a duly authorized representative of you and Licensor. This License Agreement, together with any other agreement between you and Licensor concerning the Software, represents the entire agreement between Licensor and you concerning the Software and User Documentation, and any and all other prior agreements, representations, statements,

negotiations and undertakings with respect to such subject matter, are terminated and superseded hereby; provided, however, that in the event of any conflict between the terms of this License Agreement and any such other Agreement between you and Licensor, the terms of this License Agreement shall control.

Licensor, upon thirty (30) days written notice to you and not more than once during each calendar year during the term of this License Agreement and once during the one (1) year period following the termination of this License Agreement, may enter upon your premises during your regular business hours to audit your use of the Software. You agree to cooperate with Licensor's audit and provide reasonable assistance and access to information. If pursuant to any such audit Licensor discovers any excess unlicensed use of the Software, you agree to pay within thirty (30) days of written notification an amount equal to the sum of (a) the license fees and support and maintenances fees which Licensor would have received if your excess unlicensed use of the Software had been licensed, and (b) interest on such fees from the date such additional fees should have been paid at the rate of twelve percent (12%) per annum or the maximum interest rate permitted by law, whichever is lower. If you fail to pay such amount within thirty (30) days of being invoiced for such amount, Licensor may terminate your licenses of the Software and any maintenance and support of the Software. You shall be responsible for any of your costs incurred in cooperating with any such audit.

This License Agreement shall bind and inure to the benefit of the parties, as applicable, and their respective permitted successors and assigns.

Except for actions for nonpayment or violation of Licensor's rights in the Software, Trademarks or Intellectual Property Rights, no action, regardless of form, arising out of or relating to this License Agreement may be brought by either party more than two (2) years after the cause of action has accrued. Except as otherwise provided in this License Agreement, all remedies of the parties hereunder are non-exclusive and are in addition to all other available legal remedies.

Neither party shall be responsible or liable for failure to fulfill its obligations under this License Agreement (except for payment of any purchase price or other fees) due to any major unforeseeable event beyond the control of, and not caused by the fault or negligence of, such party or its agents, including, without limitation, an act of God, fire, earthquake, flood, explosion, action of the elements, war invasion, terrorism, insurrection, riot, mob violence, sabotage, inability to procure equipment, facilities, materials or supplies in the open market, failure of power, failure of transportation, strike, lockout, action of labor unions, condemnation, requisition, law or order of government, civil or military authorities; provided that the party failing to perform in such event shall promptly resume or remedy, as the case may be, the performance of its obligations hereunder, as soon as practicable.
